business, estate & retirement planning

Andrew Dering

Managing Partner

Andy Dering, Managing Partner of Impact Brokerage, LLC., specializes in maintaining business partnerships with driven and successful professionals in the financial services industry. Andy provides point of sale expertise and advanced case design sales support. He can help enhance agencies' sales, profitability, and client retention by offering a complete turn-key "Virtual Life" insurance department.

Andy formed Impact Brokerage, LLC. in 2012. He started his career with CNA/ Valley Forge Life in 2001 as a case manager with the Nashville Life Sales Office. In 2003 he joined CNA's sales team as a life sales representative. Then in 2004 he joined BISYS/ CRUMP as a Regional Sales Director.

Andy was born and raised in Memphis, TN and attended Middle Tennessee State University. He and his wife, Nicole, have four children. Andy's interest includes working on his classic car and spending quality time with his family.

About Impact Brokerage

Impact Brokerage, LLC. is a prominent independent wholesale distributor of life insurance, linking a network of Tennessee, Mississippi, Kentucky and Arkansas producers with the products manufactured by approximately 100 highly rated insurance companies.

Impact Brokerage, LLC. supports the distribution of life insurance, long term care, disability, annuity products and life settlements with the industry's premier sales and back office support services.

Impact Brokerage's technology driven insurance distribution solutions are among the insurance brokerage industry's most advanced, including internet based capabilities and a leading edge administration system to support all aspects of processing with multiple insurance companies.

Impact Brokerage's Carrier Partnerships

Our relationship with over 100 carriers and our portfolio of thousands of products for life, annuities, long term care and disability enables our producers to provide a broad selection of insurance options and competitive prices to their clients.
